

## **YOUNG ADULTS GROUP**

Looking to make new friends among strangers in the church? The Young Adults Group at St. Joseph The Worker could be your answer. We're a friendly, fun, and social group of couples and singles ages 21-39. Activities vary each month. Examples include meeting up at area restaurants, recreational sports such as bowling or volleyball, board game nights, and volunteering at the church or in the community.

Sign up for our e-mail list and drop by the next event!
