

Social Hour Rationale

Since October, 2003, a Social Hour is offered after all four liturgies in our St. Joseph Hall **every** weekend except for a few major holidays, during the parish mission, and summertime. The Parish Pastoral Council and Pastoral Ministry Board believe this is vitally important in keeping with our mission statement, "... striving to be a welcoming, spiritually vibrant community...". Come, help us celebrate who we are as a faith family, sharing our life's journeys.

A free will offering is appreciated to defray the cost of the bakery items delivered.

Social Hour Procedures

Instructions for preparing and serving are posted on the kiosk in the gathering area. Take home a Saturday or Sunday sheet pertaining to your serving time.
