Dear Teen Summer Stretch Leader,

Thank you for volunteering to help with the Summer Stretch Program this year.

In 2002 the United States Catholic Bishops adopted a requirement for background checks for volunteers who regularly work with, or come in contact with minors. The background check is a protection for our minors and for your protection.

The information we need from you in order to do a reference check is the names and addresses of two adults who are not relatives. We will send them a form to fill out and return to us. Please know that all information received will be held in the strictest confidence.

Please complete and return the Form at the bottom of this letter. Use the enclosed envelope to return the form to Mary Jo Dickinson. Thanks for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Rev. Michael Sullivan".

Fr. Mike Sullivan
Pastor
